Diversity, inclusion, and culturally competent service are defining characteristics of our business practices and our training program. We are proud to offer training which fosters a culture of inclusion and cultural competency within law enforcement.

**Experienced**

**Supportive**

**Real**

Our success supports our 30-year, active commitment to advancing diversity as a proven catalyst of growth and progress - for everyone.

At [Island Consulting and Training \(ICT\)](#), we work to create and support equitable and inclusive cultures where we all have the opportunity to reach our fullest potential. We know that excellence and the best ideas come from the thoughts and experiences of diverse groups of people working together.

A culture of inclusion celebrates diversity and equality.

Inclusion means we are all comfortable to contribute, discover and be our authentic selves at work, at play, everywhere, anywhere, 24/7.

The breadth of background, direct experience, education, training, and mission of ICT supports our commitment to celebrating diversity. We know that inclusion is a proven catalyst of personal, professional and economic growth and success.

At ICT, we bring the unique strength of living, working and playing in global settings with individuals and groups from many different stations of life, ethnicities, abilities, classes, ages, backgrounds, languages, cultures, genders, families, sexual orientations, philosophical beliefs and identities. Our understanding of intersectionality informs us that we all walk in many of these worlds. We cannot live, much less thrive separately from one another. We are complex beings as individuals and that complexity is interwoven within the worlds we choose to walk in.
